## **IEM/ INTEGRITY PACT**

In order to ensure transparency and probity in public procurement activities, Central Vigilance Commission has recommended implementation of the concept of 'Integrity Pact' (IP) in respect of all major procurements activities by government organizations. For smooth implantation of the IP, the Commission has put in place a Standard Operating Procedure (SOP). The IP envisages appointment of Independent External Monitors (IEMs) who are eminent and experienced persons of high integrity and reputation to oversee the implementation of IP. For CSIR and its Labs./Instts./Hqrs. and its Units, a panel of two IEMs have been appointed. Their details are given below:
